

Prayer for freedom of Baha'is in prison

Én-nahou La Hoval Moghtadérol Mokhtâr

يا مالک الأسماء و فاطر السماء خلص احبّاء من سجن اعداء انک سلطان القضاء و المشرق من افق
البداء يا اصل البقاء لعمر البهاء لا تقطع الرجاء فانصر هؤلاء انت الحاكم على ما تشاء و في قبضتک
ملکوت الانشاء قد شحذ الأنياب للحم الأجباب ان احفظ الأصحاب يا مالک الرقاب و الحاكم في
المآب

He is, in truth, the Omnipotent, the Unconstrained !

O Lord of Names and Fashioner of the Heavens ! Free Thy lovers from the prison of the enemy. Verily, Thou art the Sovereign Ordainer of the Thine irrevocable decree, He who alone shineth resplendent on the horizon of creation.

O Everlasting Root ! By the life of the All-Glorious, deprive them not of hope, nay rather aid and assist them. Verily, Thou rulest as Thou pleasest and within Thy grasp lie the kingdoms of creation. The fangs of Thine enemies have been whetted, ready to bite into the flesh of Thy lovers. Protect these companions, O Thou Who rulest over all humankind and art the Judge on the Day of Judgment.

Bahá'u'lláh instructs that believers must detach themselves from all things
and recite this Tablet nine (9) times.
